The Calgary and N. W. M. Police hockey teams were entertained by the local club to dinner at the Queen's hotel last evening. Capt. Snyder taking the chair, with the captains of the Calgary and police teams on either side. The following toasts were heartily drunk. The Queen—Army and Navy was responded to by Const. Lee and Wright. Song by F. Fortin. The toast of our visitors coupled with the names of E. E. Vincent and Const. Dyre, who spoke very highly of the kindness shown them while here, and desired the Edmonton boys to return their visit, so that they may return them the same hospitality. The toast "Athletic Clubs," F. Adamson and S. Gurnham responded. Song by Mr. Cory. The health of the "Ladies" was drunk with honors. Messrs. Short, McNamara and Marriaggi responding they all spoke in glowing terms of the fair sex. Mr. Snyder especially. Our "Host and Hostess" was the last toast of the evening and the chairman could not speak too highly of the efforts made on their part in setting a fine dinner and in good style. A full orchestra was present under the leadership of Geo. Purches and very kindly played some choice selections during the evening.

HOCKEY.

The town has been full for the past three days with hockey players and their admirers. On Monday the N. W. M. Police team came in and played the Thistles on that day. Monday night's train brought up Calgary's contingent, principally consisting of the Fire Brigade team, which is supposed to be the best team in Calgary. Monday's game proved to be one of the hardest contested games ever played in the Northwest. Both teams had two games to their credit and this game was to decide which should be called champions of this district. The game started at 4.15 p.m. and on time being called both sides had scored two goals each. The referee and captains decided they would play on to decide the match, and both teams went in to win, but after playing for 50 minutes straight and no goal being scored, darkness coming on the teams decided to call it a draw. Both teams were tired and the game, although being played with determination, was not fast towards the end. No especial mention can be made of any individual play as all deserved praise for the manner in which they contested the game. Although Saunders received a bad cut over the eye it was not through any rough play. The teams lined up as follows:

POLICE. Goal Point. Thistles. Wright, Brown, Lee, Primrose, Dyer, Baker, Blythe. Cover Point. Snyder. Forwards. Fulton. Henry. Campbell. Saunders.

Kelly, referee. Chalmers and Purches, goal umpires.

THE GAME.

Dyer, N. W. M. Police. 1st goal, 8 min. Henry, Thistles, 2nd "4" Primrose, N. W. M. Police, 3rd "20"

Tuesday's game between Calgary and the N. W. M. Police was, as the score goes to show, a well contested game, one goal to nothing. Calgary was victorious, but when time was called they knew they had been playing hockey. The game was nicely played throughout, no rough play occurring on either side. The police deserve great credit for the plucky manner in which they played, considering they had played for over two hours in a hard match the day previous and were playing against a team which have had much more experience at hockey and an unbeaten record on the ice this winter as the Calgary team have. They also have their mascot with them, little Louie Kerr. For the police Baker on the forward line and Brown at point showed up well. Calgary's star work was done by Watson, Bruce and Atkins. The teams lined up as follows:

CALGARY. Goal Point. N. W. M. POLICE. Wilson, Marshall, Vincent, Henderson, Atkins, Watson, Bruce. Cover Point. Lee. Forwards. Primrose. Dyre. Baker. Blythe.

Kellock and Orr, spare men. Kelly, umpire. Dr. Wilson and J. Looby, goal umpires.

THE GAME.

Calgary. first goal, 9 minutes. Wednesday's game between Calgary and Edmonton resulted exactly as the previous day, one goal to nothing in favor of Calgary. There was a larger attendance at the rink, Edmonton people waiting to see their own boys play and play they did. Calgary's goal was time and again shot on, and the puck was as often at the Calgary's end as it was at the Edmonton. When Calgary made the only goal scored, the point and cover point for Edmonton, Messrs. Lee and Snyder, met with an accident, both colliding and fell together leaving an open show for Henderson who had the puck and taking the opportunity made a good shot and scored. It turned warm towards two o'clock which made the ice very soft and the puck travelled very slow, although the play was fast.

Hardisty and Fulton did some star playing for the Edmonton team, and Watson Henderson and Bruce for the Calgary. The teams lined up as follows:

CALGARY. Goal Point. Thistles. Wilson, Marshall, Atkins, Watson, Henderson. Cover Point. Boyle, Snyder, Fulton, Hardisty, Henry, McIntyre. Forwards. Kelly referee. F. Adamson and Wright umpires.

THE GAME. Henderson, Calgary, first goal, 14 minutes.

Free Press: The promoters of the British Pacific railway which it is intended to run from Victoria B. C. via Cariboo, Yellowhead Pass, Edmonton and through the Northwest, state that the money to float the scheme on the London market is all secured. And now they say, they are waiting for the British Columbia government to fulfill its promises to assist the scheme to the fullest extent of its power. Hon. J. H. Turner, finance minister of British Columbia, comes to England shortly to make a new British Columbia loan and the promoters expect he will give such pledges of his government's aid as will enable the British Pacific Company to be put before the public here. The British Pacific Company will reach the seaboard according to present arrangements, through connecting with the much-talked-of and much criticized Atlantic and Lake Superior route.

ELECTION ADDRESS.
To the electors of Alberta.
GENTLEMEN.—As the nominee of the con-
vention of Alberta liberals which was held
recently at Calgary, and having been assured
of a strong support by the patrons of indus-
try in Northern Alberta, as well as at the
solicitation of a large number of independ-
ent conservatives in this part of the country,
I have the honor to offer myself as a candi-
date for the representation of Alberta in the
Commons at the approaching general
election. The stand which I take with the
full knowledge and consent of those who
have tendered me their support is that of an
independent as to party, but not as to
principles. On the main question at present
at issue between the liberal and conserva-
tive parties, I understand that the organiza-
tions and individuals tendering me their
support have done so with the wish and ex-
pectation that I would and will so far as lies
in my power support the policy of a tariff
for revenue as against the policy of a tariff
for protection, which is the declared policy
of the present government; on the ground
that the protective policy discriminates un-
justly against the western producer in favor
of the eastern manufacturer.

Although holding strongly with the
liberal party and also the patron organization
on this point, I have not bound myself
to either of these because I believe that the
first duty of a single representative of so
great a country holding such great possi-
bilities as this district of Alberta, should be to
use his every energy for the further develop-
ment of this country and the realization of
these possibilities; as he can not if he is to
be subject to restraint by the exigencies of
any party. This constituency has had
party representation during the past eight
years,—has been represented by a member
of the party in power then and now. If
the results have been satisfactory, that
principle should be continued. If not it
should be changed. It is because I believe
that this system of party representation has
been generally injurious to this district that
I have consented to make the personal
sacrifice involved in my candidature, and
because, so far as I know, no other person
was likely to come forward to advocate
these or like views.

In a region so vast and varied as Alberta
it would be impossible for any man at any
time to define all the points of policy that
would affect such locality, therefore I do
not attempt to do so here. I hope from
time to time, however, in the course of the
contest, to have the opportunity to discuss
fully with the electors at most of the
principal centres of population, all matters
that may come up for discussion, in what-
ever shape they may appear. That such a
vast region, having such a large population
and such important interests should be
accorded only one representative is as plain
a case of injustice as is required to show the
glaring failure of party representation to
secure the people in even their simplest
rights. The matter of railway extension
and railway rates particularly in the north
and the question of irrigation in the south
seem to be the great questions affecting the
interests of the district with which parlia-
ment will from time to time have to deal.
I need not point out that while these are
vital questions to Alberta, they are not party
questions at all, and it is all the more neces-
sary that your representative should be in a
position to advocate your interests in regard
to them in parliament without party
hindrance even if he has to do it without
party support.

Speaking generally I may say that I will
support a policy of development for Alberta
and while I will not bind myself to ask for
favors for any section or interest I will bind
myself to do all in my power to see that each
section and every interest receives fair and
equal treatment.

In conclusion I will say that although I
have no personal interest to serve or am-
bition to gratify by entering upon this con-
test, yet having entered upon it in good
faith I shall do all I can to win, and ask for
the active assistance of every man who
believes that the success of the principles
which I have been selected to advocate
would be in the interest of this constituency
and of the country.

Respectfully Yours,
FRANK OLIVER.

CALGARY CONVENTION.
The liberal convention which was called
to meet in the city hall, Calgary, on the 27th
Feb. was well attended by delegates and
spectators the convention sitting with open
doors. By 9 o'clock the hall was filled
with spectators when Dr. Lafferty, president
of the Calgary liberal association, called
the meeting to order and on behalf of his
association gave a warm welcome to the
delegates. He stated briefly the action the
Calgary association had taken to get a
meeting of representative liberals and hoped
they had met to nominate a man who, while
he would support the liberal party on its
platform of tariff for revenue as against
protection, would be a man above party and
vote not so much for party as for the best
interests of the country. He left the meet-
ing in their hands and asked them to elect a
chairman to preside over the convention.
On motion Dr. Lafferty was unanimously
elected chairman and Mr. Horace Harvey,
of Calgary, secretary, and Messrs. A. L.
Sifton, Horace Harvey and C. G. Ross a
committee on credentials.

The following were the delegates present:
East and West Calgary, A. L. Sifton,
Joseph McPherson, D. M. Radcliffe, H.
Douglas, William Moadie, D. McLean, J.
G. McCallum, M. McInnis, H. Harvey,
Walter Jarrett, I. S. G. VanWart, Dr.
Rouleau, J. A. Patterson, T. B. Braden,
Dr. Lafferty, Major Walker and James
Barnerman.
Lethbridge, Dr. De Veber, 11 votes.
Innisfail, C. G. Ross, 3 votes.
Edmonton, Jas. McDonald, 6 votes.

Lacombe, J. J. Gregory, 2 votes.
Waggon, D. C. Gourlay.
Sprungvale, S. Wilson.
Red Deer, J. Trimble.
Banff, Jas. Heywood, 2 votes.
Athabasca, George Squibb.
Cochrane, James Johnston.
Priddis, James Moore.
Millarville, Joseph Fisher.
Red Deer Lake, D. McArthur.
Pine Creek, Geo. Bremner and A. Pratt.
MacLeod, Dr. De Veber, 13 votes.
Rosebud, George H. Johnstone.
High River, R. A. Wallace.

On the chairman calling for nominations
Dr. De Veber in a short and pithy speech
nominated Frank Oliver of Edmonton, as
an independent liberal to contest this con-
stituency in the coming election.

This nomination was seconded by Mr. A.
L. Sifton of Calgary, who would perhaps
under ordinary circumstances prefer a
straight party man to an independent, but
it made a mighty difference when that man
was Frank Oliver who was liberal enough
to suit him and independent and honest
enough to be a Northwest man first last and
all the time.

Mr. A. L. Sifton, of Calgary, was nomi-
nated by Mr. Fisher of Pine Creek, the
nomination being seconded by Mr. Joseph
McPherson. Mr. Fisher paid a glowing
tribute to Mr. Sifton for ability and energy
and thought he ought to get the nomination
of this convention because of his abilities
and being a southern man. Mr. Sifton
briefly but firmly declined the nomination,
saying Mr. Oliver was the best man for the
whole of Alberta but intimated that in the
event of a division of the district, he would
be a candidate for convention honors. An
open vote was taken and the chairman de-
clared Frank Oliver unanimously elected.
Then followed short speeches by delegates
as called on giving statements as to the
feeling in their respective districts.

A provincial liberal association was
organized with the president and secretary
in Calgary, and a vice president in each of
the legislative electoral districts.

Mr. McDonald for Edmonton.
Mr. Ross for Red Deer.
Mr. Jas. McPherson for West Calgary.
Major Walker for East Calgary.
Geo. Bremner for High River.
Mr. Fear for Banff.
Mr. McKenzie for MacLeod.
Dr. De Veber for Lethbridge.

Ways and means were discussed. A
resolution of confidence in the Hon. Wilfrid
Laurier, as the leader of the liberal party
in Canada, was carried unanimously and
with cheers for the Queen, Laurier and
Oliver the meeting dispersed.

COMMUNICATION.

EDITOR BULLETIN.

SIR: In the issue of your paper of the
25th ult., a statement made by Mr. D.
Gerard of St. Albert, appears in which this
office is accused of unjust treatment, in
connection with his application to make
homestead entry for the N. E. 1/4 of sec. 36-
48-25, W. of 4th meridian. The facts are
as follows:—On the 4th of December last,
Gottlieb Falkenberg of Leduc, and D.
Gerard called at this office; each claimed
entry for the land above referred to. They
were informed that they should settle the
matter between themselves, who should re-
ceive it, that entry could not be granted
to both. Each was obdurate and claimed
the land above referred to. I informed
them that I could not settle their dispute,
if they did not do so themselves. Evidence
was given by each, in regard to his respec-
tive claim, to be forwarded to the commis-
sioner's office for decision. The evidence
was the same in each case with the excep-
tion that Mr. Gerard stated that he had
overtaken Mr. Falkenberg and his com-
panion on the road and had driven them
into Wetaskiwin. Upon this ground Mr.
Gerard claimed that he should have a prior
right of entry; that if he had not taken
these people into his conveyance, he would
have arrived at the land office first, and
thus have secured the land. The evidence
being equal, I informed them that the com-
missioner's office could not decide the case
in the ordinary way. The evidence was
submitted to that office and a decision
rendered the substance of which was com-
municated to Messrs. Gerard and Falken-
berg. The following sentence appears in
the decision "this mode presents the
only solution of the difficulty which pre-
sents itself." If Mr. Gerard had offered as
a bonus the sum of \$1.00 it would have
been accepted by this office, as the other
claimant made no proposition. The refusal
of both parties to give a small bonus was
communicated to the commissioner and
word received back to reserve the land,
pending a settlement. Mr. Gerard states
that he was the first to apply for the land.
This may be the case. I have forgotten the
circumstances. Mr. Falkenberg was present
and claimed the land also. The fact that
Mr. Gerard applied first, gave him no prior
right of entry. Under sub-clause 3 of
clause 24 of the Dominion lands act, the
minister of the interior or any member of
the Dominion lands board, upon requisition
may authorize any person named therein to
make a homestead entry on behalf of any
person signing such requisition. Mr. Falk-
enberg, having this authority in his posses-
sion, to make entry for his son, the latter,
in the case now in dispute, is upon the same
footing as Mr. Gerard, notwithstanding
that Mr. Gerard is now present, and the
son of Mr. Falkenberg not yet arrived in
the country.

I am sir,
Your obedient servant,
THOS. B. FERGUSON,
Agent Dominion Lands,
Wetaskiwin.

procures us are explained by the mission
which you accomplish. We recognize in
your person the highest civil authority in
the Territories and the worthy representa-
tive of our gracious sovereign; more than
this knowing that all legitimate authority
comes from God, we see in you the repre-

sentative of God, and we believe we honor
Him in your person.

For the last few years, Your Honor, the
Catholic population of the Northwest is in
grief and pain seeing itself deprived of its
most precious liberties, especially of those
regarding the education of its children.
We submit to these liberty-destroying
laws, but, we will never accept them; to do
so, would be to renounce the rights and
obligations of our conscience, the rights of
nature and the rights of God for whom all
authority and all government come.

We consider these laws, of which we
complain, an encroachment on our rights and
on the rights of God Himself. Human
authority cannot do less than yield to that
of God.

Your Honor has understood this, and you
rejoiced our heart on the occasion of the
last session when you recalled to mind the
worthy Prelate who had worked so hard
for the civilization of the natives of the
country and the happiness of all who come
into it; who seeing, in spite of his noble
effort, the justice of our cause despised and
trampled on by strength and numbers,
succumbed as much from moral pain as from
the physical suffering which was brought
on by his unceasing labors. Your great
heart touched by the souvenir of this man
of God and of his adoptive country, recom-
mended our cause to the legislators of our
land, but your noble invitation, as well as
that of the federal government, was un-
heeded by them. This fact greatly affects
us, and while thanking Your Honor for the
sympathy so nobly manifested on that
occasion, we beg of you to insist in having
justice rendered to us.

We ask no favor at any one's expense,
we desire each and all to enjoy, in peace,
the benefits of their rights. We shall not
cease, on our side, to reclaim justice until it
is fully rendered to us even though it should
cost our lives.

We confide in your protection and hope
that your urgent appeals and if need be,
those of the federal government will make
our legislators understand that they are in
duty bound to make just and equal laws,
productive of liberty, peace, good will and
which facilitate these sentiments of respect
and obedience we so willingly profess to-
wards those who govern us.

We beseech the Almighty, the Omnipot-
ent God, by whom kings reign, to direct
governments and subjects and to inspire
each with justice, respect and submission,
according to the rank they hold, that all
may enjoy happiness in the fulfillment of
their reciprocal duties.

SADDLE LAKE.

A private letter from Saddle Lake Methodist mission contains the following:

We had a pleasant entertainment here on Feb. 25th, in our new combined church and school house. It was given by the Indian agent and missionaries in honor of the opening of the new building, which was put up by the Indians last autumn, with the help of their mission teacher A. G. McKittrick. The Indians did justice to the beautiful supplies of pies, cakes, sandwiches and tea, after which was a programme of recitations and singing by the children. There was also singing by all who could sing in English, which was about half the audience, and speeches by Rev. Mr. Glass, Indian agent Ross, and head men Blue Quill and Thomas Hunter. These latter were in Cree and were interpreted into English. Miss Featherstone, teacher of the White Fish Lake school, presided at the organ. Mrs. Ross also gave some instrumental music.

A convention of the teachers and ex-teachers and missionaries in this part of the Methodist mission work is to be held at Saddle Lake on March 16th.

WETASKIWIN.

A lecture will be delivered in the school house at 7:30 p. m. on Friday next, March 8th, by the Rev. C. H. Andrews, entitled "A peep into Paradise," illustrated by 50 lantern views. Mr. Andrews passed some years in the neighborhood of Mount Ararat, explored the Caucasus and Highlands of Armenia and the shores of the Caspian, visited the site of the "The Garden of Eden," and that of the "Captivity of Israel," and claims to have found the missing link in the evidence of their identity. Children under 50c. Adults 15c.

A two-story house was moved on Saturday 20th inst., by eight horses, into line with the stores on the railway front. It is to be opened as a watchmaker and jeweller by Mr. Schmidt who thus satisfied a long felt need.

Miss Bella House was joined in the holy bonds of matrimony to David Anderson by the Rev. C. H. Andrews at the home of the parents of the bride.

Henry Burr and Lina Logeman were united in matrimony by Rev. C. H. Andrews at the home of Mr. David Amherst.

A second blacksmith shop is just opened on Pearson street. The amount of business expected this year quite justifies the expectation of success for both of them.

LACOMBE LINKS.

Mr. G. A. Reid, our energetic hardware merchant, got in his first car load of goods for the coming season, last week.

Rev. John Ferrie is in Calgary attending the meeting of the Presbytery and will not return until next week. Rev. Mr. Chapman will conduct the service in the school house on Sabbath evening in his stead.

A parlour social was held by the Ladies Aid of the Presbyterian church, at the residence of Mrs. Glass on Thursday, Feb. 25th, to which there was a large turnout. The programme was a good one and all seemed to enjoy it. The next one will be held at the residence of Mr. G. A. Reid on the 14th of this month.

There will also be a social held by the ladies aid of the Methodist church, at the station on Feb. 26th.

Three gentlemen arrived here from Kentucky last week. They have made arrangements to stay, purchased a sleigh and team and intend taking up land as soon as spring opens.

Colonel Gregory and D. C. Gourley attended the liberal convention at Calgary last week. The conservatives intend appointing their delegates next Saturday night, for the convention to be held at Calgary on the 13th.

Mrs. E. J. Beavis who is lying ill at the residence of Mr. John Hunter, is improving slowly.

IMMIGRATION.

The bulk of it is coming this way. Northern Alberta is better known in the Western States to day than any part of Canada and after a careful investigation of the various sources of information available the Western World has no hesitation in saying that close to 5,000 settlers have gone in there during the past year. From the Dominion government travelling immigration agent and rail-way courses it is learned that over 4,000 settlers or about 800 families, left Calgary for the north by train between January 1 and December 31, and besides that quite a number drove in from the United States, of whom there has no record. Of the 4,000 mentioned, about 60 per cent, were from the United States, the following states, Minnesota 1st, Dakota 2nd, Nebraska 3rd, Washington 4th, and Kansas 5th, being the largest contributors. 25 per cent, came from the western provinces of Canada and Europe. Of the 4,000 about 25 per cent, settled south of Red Deer river, 75 per cent, being distributed between Lacombe, Wetaskiwin and Edmonton districts. The great drift of settlement north of the Red Deer has been east of the Calgary & Edmonton railway, though quite a number have gone northwest of Edmonton into the Stony Plain and St. Albert districts. These settlers brought with them over 250 car loads of live stock and settlers' effects, and some who have gone north have cattle still in quarantine.

POLITICAL NOTES.

J. K. McInnis, of the Regina Standard was the nominee of the patron convention which was recently held at Regina. The Standard pledges itself to support any one who may be fairly and regularly called to carry to victory the banner of tariff reform.

MacLeod Gazette: In Southern Alberta the political pot is commencing to sizzle, but so far it is a very quiet and subdued sort of sizzle and heard only by those in the know. The liberals of MacLeod organized themselves into an association last Monday, and are to hold another meeting to-morrow afternoon to get themselves into shape for the approaching contest. From what can be gathered by our political reporter, B. W. Davis will have a very strong support all through the south, both from liberals and conservatives, who set the claims of old acquaintance and personal friendship above those of party. Of course very many liberals and quite a number of conservatives will vote for Oliver if, as is expected, he announces himself as an independent, but much will depend on the conservative convention to be held in Calgary on the 13th. If it should happen to choose a candidate who is not person to the south, a very large number of votes will go to Oliver.
